Platinum Wash

Gold Wash + Complete dry cleaning of interior seats (carpet/leather), roof, mats & boot + Dashboard cleaning & polishing + A.C. vent cleaning + Dressing to all vinyl, plastic, rubber parts to give car spotless, shiny and glossy interior.

Nano Coating

PTFE based polymer paint sealant creates barrier that protects the paint finishes & reduce its fading & oxidation. It repels dirt & grime, accelerates water run-off to reduce spotting, removes scratches & gives a durable long lasting shine & depth to the paint.

Solitaire Ceramic Coating

Solitaire Ceramic Coating Product series will protect the clear coat and base colour from ultra violet rays and acid rains, preventing them from degradation and colour fading. It enabled the painted surface look as glossy as a new car even 5 years later.
